

Model Photo Release

In consideration of my engagement as a model, and for other good and valuable consideration herein acknowledged as received, I irrevocably grant Steve Awesome (herein, the Photographer), and his Associates (anyone acting on the Photographer's behalf or with the Photographer's permission, including but not limited to his heirs, legal representatives and assigns, those for whom the Photographer is acting, and those acting under his authority and permission) the unrestricted rights and permission now and hereafter to copyright and to use, display, sell, publish, and reuse and republish any and all Images (including but not limited to any and all visual, audio, and other images or impressions, photographs, negatives, slides, video and audio recordings, moving pictures, digital images, and any other original or derived works) of myself. I grant this permission in perpetuity in my own behalf and on the behalf of my estate in the event of my death. This document covers any and all Uses and Purposes (all uses in all current and future media the Photographer or his Associates chose, including but not limited to illustration, advertising, art, publication, trade, collections, reproductions, promotion, editorial, broadcast, products, and sale).

I hereby release, discharge, and agree to hold harmless the Photographer and his Associates for any and all uses of my Likeness (including but not limited to my own or fictional name, identity, form or shape, or any such Images of myself). I consent that images or finished products may be Edited or Manipulated (any changes or distortions in character or in form whether intentionally or otherwise, including but not limited to blurring, distortion, alteration, optical illusion, or use in composite form, or through the use of any accompanying materials or test).

I further consent to the use of any printed matter or text (whether such is factual fictional, or otherwise) in conjunction with any and all uses of my Likeness or Images. I waive any and all rights to inspect or approve or view original materials, designs, works, finished products, or associated printed matter.

Without limitations, I hereby release, discharge, and agree to save harmless the Photographer and his Associates from any claims for libel, invasion of privacy, or defamation of character. This document remains valid even if any such use(s) subjects me to scandal, ridicule, reproach, scorn, or indignity.

In the event that any action is brought by me or any third parties concerning the use of my Likeness, I agree to pay the costs and expenses of the Photographer and his Associates for any such legal action, including attorney's fees, whether or not such action proceeds in judgment.

I acknowledge that all Images are the copyrighted property of Photographer, and he may license, sell, or otherwise dispose of any or all materials at any time. I also understood that any photographs, artwork, or other materials I receive from the photographer are copyrighted and intended for my personal use. The photographer will grant me rights to reproduce and to use all such photographs which I receive ONLY for modeling promotional purposes, with the restriction that no charge of any kind is ever made to those receiving such photos or reproductions, and that all uses accompany a photo credit at least 12 point in size directly adjacent to the photo(s) stating "Bionic Intelligence" and that all work which is reproduced in volumes greater than 10 will require that the model provide the photographer with at least two finished copies for copyright verification and studio portfolio purposes.

I hereby testify that I enter into this contract freely, without undue influence or pressure. I agree to accept Full Responsibility for all my Actions (including but not limited to all modeling and posing, driving to and from sites, and all interactions with others and with the Photographer). I agree to be solely responsible for my Actions even in the circumstance that I choose to take any substance (including but not limited to alcohol, prescription or other drugs, plants, or chemicals, whether legal or otherwise), which may affect my thinking and judgment.

I understand this model release is not an employment contract, and therefore there is no obligation for me to continue posing for the Photographer or for the Photographer to continue working with me. Further, since I have the power to determine the hours, conditions, and type of my work, I will be considered and Independent Contractor for all my Modeling time. As an independent contractor, I am responsible for reporting and paying taxes on any compensation related to my modeling.

This contract constitutes the entire agreement and cannot be altered or varied unless amended in writing at the time of signing, and accompanied by the signatures of the photographer and myself. Subsequent contracts shall only affect images created after its signing. No other promises, representations, restrictions, or agreements will be recognized. I agree all clauses of this contract and its amendments are severable and therefore if any provision of this document is invalid or inoperative under law, the remaining provisions shall continue in full force and effect. The laws of the State of Minnesota shall govern this agreement. All rights and releases enjoyed by the Photographer shall extend to his estate and Associates in perpetuity.

I agree that this release shall cover any and all images taken of me by the photographer today. I agree and understand that I am not due and will not receive any future compensation or recognition for any use of my images.

I herewith state under penalty of perjury that I am [redacted] years old, that I am of full legal age and have the right and ability to contract my own name. I have read the above authorization, release, and agreement, prior to its execution, and I am fully familiar with the contents thereof. This release shall be binding upon me and my heirs, legal representatives, and assigns.

I have fully read this release and agreement before signing, and warrant that I fully understand the content and meaning.
